Brain Buster Breakfasts

Monday 11th May 2026 - Thursday 14th May 2026

Dear Parents / Carers

As we approach the KS2 SATs week, we would like to invite your child to attend our Brain Buster Breakfasts which will take place Monday - Thursday during SATs week. Children will be offered a hot breakfast cob (bacon, sausage or vegetarian sausage) and a drink free of charge, as well as the opportunity to spend some time with their friends in readiness for the day ahead.

There will also be the opportunity for children to ask any last-minute questions they may have about the assessments! Activities linked to the assessment that day will be provided as well as any support that the children need.

Children can come into school at 8.00 am each day and they will then be registered as normal at 8.30 am. Entrance will be through the main school gate.

These breakfasts are a fantastic way to ensure that our children are ready for the day by making sure that they are in school in good time, have had a good breakfast and are in a good frame of mind about the assessment. There is no cost involved with these breakfasts and all children are invited to attend.

We hope that your child will take the opportunity to attend these sessions. Please click on the link below and complete the form to confirm attendance by **Tuesday 5th May** and select the vegetarian option if preferred.
