

16th June 2026

'People I Love' Event

26th June 2026, 2.00 pm

Dear Families,

We would like to invite you to our 'People I Love' event on the school field (weather permitting!) on Friday 26th June at 2.00 pm.

We all know how busy life can get and how time spent together is precious, so our 'People I Love' event aims to provide some relaxed time for children to be with people they love. The event is open to everyone; families, grandparents, relatives, anyone who is important to your child.

During the event we will gather on the field, play some music and give you some time with the children. We won't be selling anything or asking you to donate anything! We simply want to make some time for you to spend with your children and families and welcome you into school to say thank you for all that you do.

Bring along anything you may need, such as a picnic blanket, chairs, suncream (we hope!), etc. You may want to bring a few snacks; however, children will have had their lunch as normal. We also ask that if you do bring any snacks to share, then you only share them with YOUR child and no one else due to dietary requirements and allergies. Please remember that St Andrew's is a nut-free school.

The event will start at 2.00 pm. Parents and carers will need to enter by the main gate at 2.00 pm and make their way onto the field. The event will run until around 3.00 pm, when children will be taken back into school to collect their things and then be dismissed as normal. You may of course wait on site to collect your child if you are attending the event.

If no one is able to attend the event for a child, then the child will still take part in the event and will spend time with other children and staff on the school field alongside everyone else. They will then be dismissed as normal at the end of the day.

We look forward to seeing as many of you there as possible.

Thank you for your continuing support,
St Andrew's School
