

2nd October 2026

Harvest Festival

Each October we celebrate Harvest and thank God for all we have been given; our homes, food, clothing, water, education and much, much more.

As part of our Harvest celebration, we will have the opportunity to celebrate Harvest in school as St Andrew's Church is still under renewal.

Every week of the school year we try to support our local food bank, Sutton Christian Fellowship, by giving them our spare fruit and milk and at Harvest Festival we love to give them our Harvest collection, which keeps the food bank going for many months.

If you feel you can contribute to our Harvest collection, the following ideas might help you decide on something to send in. Every little helps!

- *Tinned food (fruit, fish, meats, beans, tomatoes, soups, etc).*
- *Packet foods (biscuits, rice, pasta, soups, etc).*
- *Soap, toiletries, toothpaste, toothbrushes.*

The children are asked to bring their gifts on or before **Wednesday 14th October** and these will be displayed in Reception before being delivered to the food bank.

Thank you for your continued support,
St Andrew's Staff
