St Andrew's
C of E Primary and Nursery School

15th October 2026

Dear Families,

I am delighted to share the exciting news that we have secured a new catering supplier, with the new service launching on Monday 2nd November.

As a result, we are able to reduce the cost of school dinners to £3.10 per meal, saving families approximately £58 per year compared to the current price.

The new system also offers much greater flexibility, allowing parents to order a school dinner up until 9.00 am on the same day. This means there is no longer any need to book meals a week in advance, although you are still welcome to do so if you prefer to plan ahead.

Please find the new menu attached. It includes many of our pupils' favourite dishes, alongside some exciting new options for children to try. We hope these changes will encourage even more pupils to enjoy a delicious, nutritious hot meal at a very reasonable price.

This price change does not affect children in FS2, Key Stage 1, or those who are eligible for Free School Meals, as these pupils will continue to receive their meals free of charge.

School dinners can be booked and paid for in the usual way. The new menu will be available from Monday 19th October. We encourage you to spend some time with your child looking through the new menu and discussing the options available.

Please note that if you have already booked meals from Monday 2nd November onwards, unfortunately these will be cancelled. Please rebook on the new menu.

If you have any questions, please do not hesitate to contact the school office.
Thank you for your continued support.

Kind regards,
Mr Snelling
