Changes to Breakfast Club

St Andrew's already provides a fantastic Breakfast Club, offering supervision and breakfast for children from 7.45 am until the start of the school day.

The current system offers a range of breakfast options at different prices, which can be difficult for both parents and staff to manage and requires children to bring cash into school.

Under our new catering arrangements, we will be able to offer a simple, healthy breakfast option for one all-inclusive price, removing the need to find cash each morning.

Breakfast Club will now provide supervision together with a breakfast of cereal, toast and juice for £3.50 per session (£5.50 for Nursery children), representing excellent value when compared with similar provision at other schools.

There is no expectation that children must eat breakfast. Parents may choose to use Breakfast Club solely for supervision to make mornings a little easier. The cost will remain at £3.50 per session (£5.50 for Nursery children).

Children must still be booked into Breakfast Club in advance. The booking form is sent out each Wednesday on ClassDojo and is available on the school website. We will be unable to accept children without a booking. All children must also be accompanied and signed in by a responsible adult.

Any Breakfast Club bookings already made for November will be honoured at the new price of £3.50 per session and there is no need to rebook.

We hope these positive changes will help more families access a healthy, supportive and affordable Breakfast Club.

If you have any questions, please do not hesitate to contact the school.

Many thanks for your continued support
Mr Snelling
