C of E Primary and Nursery School

4th November 2026

Open Classroom Event

Dear Parents and Carers,

We are excited to be able to invite you into school again to see the classrooms and children's books before our virtual parents' evenings later in the half term.

As in previous years, our parents' meetings will be held through our parents evening online system with details sent out next week. This has proven very successful in the past, enabling meetings to be succinct and on time.

However, we understand the importance of seeing the school environment and looking at the children's books to be able to discuss them at the meetings. Therefore, we would like to invite parents and carers into school on either **Thursday 12th November from 3.30 pm to 4.30 pm** or on **Friday 13th November from 8.00 am to 8.40 am**.

School will be open and the books will be on show in the classrooms for you to look through and discuss with your child. This is a great way for you to see what the children have been up to and celebrate their fantastic achievements so far. Staff will be on hand in the classroom but this time doesn't replace the formal meeting the following week, so they won't be able to answer any specific questions during this time.

As with previous Open Classroom events, we expect a number of parents to attend at 3.30 pm, so it might be busier at these times. Please allow children to be dismissed before staff will allow you into the school buildings. Clubs will continue as normal on Thursday and on the Friday morning. All school gates will be open from 8.00 am on Friday morning to allow parents and children to enter the school site. Children will not be allowed to enter classrooms before their normal registration time unless accompanied by an adult.

If you have any questions about the open classroom event, then please do not hesitate to contact school.

Many thanks for your continued support.

St Andrew's Staff
