

St. Andrew's School

10th October 2025

Dear Parent/ Carer

I am pleased to announce that we are going to be running a 'Boogie Bounce' after-school club. This will be a fun high-intensity workout, done on individual trampolines. This club is for children of all levels, no previous experience needed. *We will bounce, sing and have a good laugh whilst doing so.*

Boogie Bounce will run every **Thursday** for pupils in **Year 1 and 2**. The club will start on **Thursday 6th November** and will run for **6 sessions**. Each session will run until **4.30 pm**. The children will need to be collected at the **main school gate**.

With regard to kit, PE kit will be perfect, and the children will be provided with special grip socks.

The school are very kindly subsidising the club using the Sport Premium funding to reduce the cost to parents, meaning that the cost for the 6 sessions is just £12 (£2 per session), with the total cost payable in advance. Unfortunately, refunds will only be given if we must cancel the club.

If you are interested in a place for your child, please click on the link below and complete the form below by **Thursday 16th October**. Places are limited. If the club is oversubscribed, names will be drawn out of a hat and places will be announced on **Friday 17th October**.
